

Cleansing Time

Sons of God Ministries Unlimited

Father, I bring this day of _____ in all of time, space and dimensions of the universe before Your throne and into Your courtroom (Daniel 7 Describes God's throne room – verse 10 The Judge was seated (the court was in session)).

I bring all the sin, transgression and iniquity done by my myself and my forefathers on this day in past time and I repent. (Do this thoroughly – Godly sorrow leads to repentance – the foundational root defilements are blood spill and bloodguilt, sexual immorality, idolatry, broken covenants – repent for things like thievery, rebellion, pride, disobedience, stubbornness etc).

I ask you to annul, dissolve and break all pacts, blood covenants and covenants, all agreements, contracts and cut ties formed and made on this day in all of time past, due to these activities and actions in Yeshua's Name. I renounce them in all of time, space and dimensions of the universe. Father I cancel all vows, inner vows, pledges and allegiances and judgements invoked or self-invoked in this time.

I repent for all damage done and the empowerment of satan and his kingdom made through these actions in these bloodlines and I render all legal documents with their judgements powerless in Yeshua's Name. I repent for all programming which occurred because of these actions and activities in Yeshua's Name and ask you to dislodge, dissolve, cancel and render the programming powerless and I ask that you remove it from our DNA. Reprogram these bloodlines with the truth of the Word which will prevail. I cancel all worship given to satan and his kingdom by these sins, iniquities and transgressions in Yeshua's Name.

Father I ask that You would break, silence and render powerless all curses, time curses and devices, hexes, vexes, jinxes, incantations, chants, prognostications, witchcraft, charms, spells, sorcery, divination, magic, mantras, rituals (including those done with the 4 elements) and altars connected to this time as a result of my forefathers and my own sin, transgression and iniquities on this day in past time. I render it all powerless in Yeshua's Name.

I ask that all rituals be reversed in past time, in all space and dimensions of the whole universe. I renounce the invocations made around coven circles, I renounce and cancel the negative dance and energies around these coven circles. I apply the Blood of Yeshua to blot out these circles, astral projections and medi-focusing. I ask that You remove all attachments and transferences to these and send them to the feet of Yeshua for judgment. I ask You Father, to blow out all candles burning representing my DNA. Father I call for the fire of Holy Spirit upon all the altars and their sacred pillars and poles and sacrifices, devices and time devices, bombs, programs and things not mentioned but applicable, also in the DNA structure of our bloodlines in this time, past, present and future as well as all space and dimensions of the Universe.

Father I cancel all rituals done with and through the energy of the moon during its various phases. I cancel all invocations, incantations, demonic blessings, demonic prayers and everything else applicable but not mentioned during the night watches.

I bring the blood of Yeshua into the moon and render powerless all other blood speaking and programmed into the heavenlies through rituals. I disconnect my DNA with the kingdom of the powers of the air as I repent for all sin, iniquity and transgressions that has caused their enthronement over my DNA (bloodlines). Father I do this in all of time, space and dimensions of the whole Universe in the Name of Yeshua.

Father sanctify and cleanse this time, all space and all dimensions with the blood of Yeshua from all defilement.

Father please disconnect my spiritual structures from the past, past time, past events, places, (such as hospitals, graveyards etc) people and activities and connect and ground them and me and all that is within me into Yeshua the Messiah.

Father I decree and declare that all parts of me still in regions of captivity or in places in the past or stuck in time, space or dimensions due to trauma or those still bound in past time loosed by the power of the blood of Yeshua. I ask for the Blood judgements of Yeshua upon the demonic guard system around them, as well as the gatekeepers. I bind all these as well as the mesmerizing spirits from binding and blinding their minds in the Name of Yeshua.

Yeshua will You break the seals (trauma, shock, baptisms etc), the frames surrounding them (usually the prison), all rules, and all multidimensional walls (remove the familiar spirits and the programming) and anything not mentioned but applicable. I ask this in the whole inner world as well as any other space and dimensions in the universe. Bind up their broken heartedness. Yeshua place Your glory and Your light upon all their darkness and expose the deception in their belief systems. May Your truth set all parts free! Heal them, save them and deliver them. I pray for the fire of God and His Glory light to burn through my physical and spiritual senses. I declare and decree that all parts align with present time (now consciousness) and ask that You connect all of me to Creator time.

I take the keys of the Kingdom of Yeshua and I open the Kingdom now over this day/time in all past time, space and dimensions of the universe and I open up and loose the generational blessings into present time. I decree and declare that the mantels, inheritances, authorities, keys, blessings, properties, resources, finances, portions, increases, capacity, birthrights, favor, honor, enlargements, fruitfulness, possessions, wisdom, understanding, knowledge and anything else not mentioned but applicable which was purposed for my bloodline by God to come forth and I align it with this day/time (now consciousness). I repent for all of us in this bloodline who rejected these and chose comfort above Your high and holy calling and destiny.

I now declare this day blessed! It is the day the Lord has made and I and everything in me will rejoice in it and be glad in it! I declare and decree that the assignments of satan rendered powerless and cancelled over this day in Yeshua's Name! The sun will not strike me and the moon will not smite me in Yeshua's Name, but it will pour forth the praises of the Lord over me and all who pertains to me and is associated with me. It is better for me to be in Your presence today Lord, than to be a 1000 days elsewhere! Your will will be done, Your Kingdom will come today on the earth as it is in heaven! The government of Yeshua will increase this day! This is the day in which I seek you with all my heart and I extravagantly praise and worship and serve You! (you can add any other blessings to this).

Surely goodness and mercy will follow me all the days of my life!!

I send this cleansing and this blessing now into all of future time, space and dimensions till the day of Christ!

I seal this prayer with the Blood of the true Lamb of God! Amen
