

Petition for Restoring the River of Life

Sahnet Schoeman, adjusted by Sons of God Ministries Unlimited

Father I thank you that you love me. And that your kingdom is based on righteousness and justice. By faith I step into the court of accusation. I face my accusers and I accept and agree that I have wrongly traded. I accept that I have followed the pathway of the knowledge of good and evil I accept that I have been influenced and motivated by earthly, natural and demonic wisdom. I stand here representing myself and my forefathers, identifying with them. I repent of and renounce all false trading for myself and my forefathers (be very specific here about what trading you have recognised).

Father I thank you that You have made a way for me to access your heavenly presence. By faith I step in through the veil of Jesus, through the way of the cross Jesus, my high priest, I present myself to you in surrender as a living sacrifice. I submit to the authority of the living word in my life, I step through the veil of truth into the Holy Place. I stand in the light of your truth, I ask you to search me, reveal my blind self to me. Show me the hidden motives of my heart. Show me where I have followed the pathway of the tree of the knowledge of good and evil. Show me where I have accepted satan's deceptions. Reveal where I have followed earthly, natural or demonic wisdom to meet my own needs. Show me where I have traded by taking the shortcut to gratification through success, money, position, influence or power. Show me where I received my identity from performance, work or ministry.

Father, I come before You in the name of Yeshua, covered by the blood of the Lamb. It is the desire of my heart to bring my life and my time before you as a spiritual riverbed and river. Father, I acknowledge before You that the condition of my riverbed and waters are defiled, unstable and even dried up. I repent of this. I ask forgiveness for every decision and action that has caused this generationally. Father, I ask that Your presence would hover over my waters and all that pertains to me as I pray this prayer. Father, I ask that You protect me and that there will be no reprisal in the spirit because of what is being petitioned today. I choose to trust in, lean on and rely upon You my Saviour, Creator and King.

I repent Father, that my spiritual riverbed and waters are in such a bad state that it is an environment and atmosphere of death and destruction rather than one of life. I repent Father for the condition of our waters and specifically our spiritual rivers that have caused the unrighteous principals of Leviathan to be activated in our lives.

Father, my spiritual life was designed to flow like a mighty river from Your presence into the earth – bringing life to it. Father, I repent that this place of intimacy with You; have been polluted by so many thoughts, ideas and attitudes of myself and that of my seed over so many generations.

Father, as I pray for my river and riverbed, I ask that it would be applied to all of my seed to come.

Father, I repent that the riverbed and the flow the waters filling it have been corrupted, broken and disconnected from Your kingdom. I proclaim today that every day of my life from the beginning to end and everything in between was written in Your books (Ps 139). Father, I confess the sins, transgressions and iniquities that have caused my timeline and lifeline to harmonise with the frequencies, radiation and vibration of kingdom of darkness. I repent that the enemy had the legal right due to agreement, to displace this, to warp and twist it and even to enmesh it with others life and time aligning it with agendas other than Yours.

Father, I come, and I ask that You remove my riverbed from any demonic or human source or influence and to implant it into You as my source and wellspring of life. I acknowledge as your Word states in Job 3 that because of my sins, transgressions and iniquities, my very being are covered with darkness which makes it impossible for Your light to shine upon me. I repent Father, that because of me rejecting my time and life that the gloom and deep darkness could claim my life as its own. Today I come and by the blood of the Lamb I silence and break the enemy's curses, covenants and agreements of gloom and darkness over my life and timeline. Father, Your Word in Job 3 continues to tell about the clouds that dwell over us and blackens it with fear, stress and anxiety. I acknowledge that I am standing in the shade of these clouds. Father, I acknowledge that these clouds are the curses and evil pronouncements made against my seed, and my very life in all time, space and dimension. I repent for abiding under them as a slave to the kingdom of darkness. I repent that both my days and nights are held captive by this impending darkness. I repent that I have rejected my life and my time and have wished that I would rather be dead and thereby losing my crown of life, and my crown of joy. I ask in the name of Yeshua that You would remove the darkness from over my timeline and to burn away the clouds of Your glory over my riverbed and waters. These clouds of gloom and darkness was placed here to hinder the Light frequency of Your truth and healing to reach me. I declare today the darkness cannot overwhelm the Light that is my life in Yeshua's Name. Father YHVH will you please restore the crowns on my head.

I proclaim Is 49:9,10 over the spiritual atmosphere of my riverbed and waters: *Saying to those who are bound, Come forth, and to those who are in [spiritual] darkness, Show yourselves [come into the light of the Sun of righteousness]. They shall feed in all the ways [in which they go], and their pastures shall be [not in deserts, but] on all the bare [grass-covered] hills. They will not hunger or thirst, neither will mirage [mislead] or scorching wind or sun smite them; for He Who has mercy on them will lead them, and by springs of water will He guide them. [Rev. 7:16, 17].*

In the name of Yeshua and by the blood of the Lamb and I resist and blot out every evil word spoken over my time and life in all time, space and dimensions of the Universe. I also ask Father, that you would edit my riverbed and waters, that Your Spirit would brood over my waters and that You would edit out all that needs to be removed including all foreign matter, data, pain from past generations, burdens, transferences, wounds, spirits, humanity and voices - we choice to reject and renounce each of these. Father, in the name of Yeshua I cancel every human or spiritual agreement that stands against Your plan for my life and destroy their sound and impact over my riverbed and waters. I declare that my riverbed and waters are created in His image and likeness.

Father in the case of any intentional death and resurrection rituals in my timeline and lifeline over my seed I now come in the name of Yeshua and I cancel and obliterate their memory, frequency, vibration, framework, radiation, energy and hold upon me and my blood and seedline. I ask Yeshua that You would strip away my timeline and lifeline from these dark imprints and that You would graft me into You as my source of life. In the name of Yeshua cancel every near drowning and false baptism ritual and every black communion that also had the intent of realigning my timeline and lifeline with the frequency quantum agreements with the kingdom of darkness.

I proclaim Your Blood over these things to speak over it and to blot it out from existence.

Father, I now come and bless my riverbed and the waters of my life in the natural world and in the spiritual world and I bless the spiritual atmosphere around it with Your Word in Numbers 6:24-26 *The Lord bless you and watch, guard, and keep you; The Lord make His face to shine upon and enlighten you and be gracious (kind, merciful, and giving favor) to you; The Lord lift up His [approving] countenance upon you and give you peace (tranquillity of heart and life continually).*

I ask today Father, that You would make it possible for my river and riverbed to be joined back together in order to form a mighty gushing stream of life bringing forth Your glory and honor. Father, I repent that we are dry. I repent that we have created reservoirs and dams of our own provision in our rivers – no longer relying on You as our only source and hope. Father I acknowledge and declare in the Spirit that You are the only Creator of life. Today I receive and embrace the treasure of life – just as You gave it to me. I repent of rejecting my life, for disliking it and for comparing it to others' in judgment, criticism and jealousy. I come Father and I ask You to restore Your peace, rest and order over my river and riverbed. I ask to be healed, delivered, restored and re-established at the spring of conception so that I can carry your image and likeness in the dimensions. Abba YHVH, I ask that You direct the flow of my waters according to Your will and design and Your script written about me before the worlds were founded.

Father I ask that You release the angels and creatures in the unseen world who serves You to minister to the waters representing my life. I pray for stability in my waters representing my feelings and emotions. In the name of Yeshua I ask that they purge out all poisons, curses, alien pronouncements, projections, transfers and deposits, instability and chaos and their emotional attachments and pain which I carry in my river. Please restore my bitter water to pure and sweet waters, I want to carry only Your essence.

I thank You for Your brooding presence of Light frequency that also now shine on all the historic trauma, pain, horror, terror, shock, fear, anxiety and stressful events recorded in the water of my life. I declare Ps 46:4 My river whose streams shall make glad the city of God, the holy place of the tabernacles of the Most High.

Ps 65:9 You visit the earth and saturate it with water; You greatly enrich it; the river of God is full of water; You provide them with grain when You have so prepared the earth.

I repent Father for the unrighteous heads of Leviathan of life, light, time, weather, flow, sound and essence that was activated because of the condition of my rivers' waters. I repent Father, that this was lawful because we have claimed the rivers as our own. We have used them for our own plans, purposes, prosperity, intents and agendas (Ez 29:3). Please forgive me and my seed of this sin.

I declare over my water frequency: *For thus says the Lord: Behold, I will extend peace to her like a river, and the glory of the nations like an overflowing stream; then you will be nursed, you will be carried on her hip and trotted [lovingly bounced up and down] on her [God's maternal] knees (Isa 66:12).*

I declare that my life will be an example of Your abundance in me.

Today I choose to cast the seed of Your word into the waters of our life: *Happy and fortunate are you who cast your seed upon all waters [when the river overflows its banks; for the seed will sink into the mud and when the waters subside, the plant will spring up; you will find it after many days and reap an abundant harvest], you who safely send forth the ox and the donkey [to range freely]. Isa 32:20*

I will open rivers on the bare heights, and fountains in the midst of the valleys; I will make the wilderness a pool of water, and the dry land springs of water. Isa 41:18

Behold, I am doing a new thing! Now it springs forth; do you not perceive and know it and will you not give heed to it? I will even make a way in the wilderness and rivers in the desert. Isa 43:19

Thank You for the promise of restoring Your source of life to my life according to John 7:38

He who believes in Me [who cleaves to and trusts in and relies on Me] as the Scripture has said, from his innermost being shall flow [continuously] springs and rivers of living water.

Father YHVH please will You release the angels who deal with the moving of waters, and with the dividing of waters and the bringing back of waters to execute Your perfect will over the rivers and the waters of my life and that of my seed and bloodlines.

Father, I now ask that You remove all sound carried in my waters that does not belong to us or Your plans for us. I choose today to forgive everybody who wanted to add their sound to my waters. I repent Father for rejecting and rebelling over Your sound for me and for lusting after another's sound. I ask that You restore Your sound frequency to my waters. I ask that You remove all occult sound from my waters. I ask for the sound of music, movies and conversations that pollute my waters, to be drowned by Your blood frequency – please forgive me. Father, I bring my life to You and purge out all ungodly opinions, manipulations, judgments and criticisms by the blood of the Lamb. I thank You Father, that You also remove all words of shame from my rivers and that You silence their echo in all generation's past, present and future. I thank You Father that I can also silence all unholy sound frequency from my life and that You replace them with Your words of life, purpose, love and encouragement. Father, please sing again over me. Imprint Your Sound frequency over my river.

I ask that You expose and remove all darkness and spirits of generational compromise and limitation from my river. I give permission that all reflections, imprints and flow that has darkness as its source may be separated from Your Light frequency in Me produced by Your incorruptible seed. You may disconnect my whole being and God given life force from it and You may remove it and destroy it as works of satan.

May our heritage be great and mighty bringing You glory and honor. Father, flow through the core of me. I thank You for a legacy of repaired essence for my seed to come. I thank You for the principals of renewal and restoration which You restore to my essence and God given life force. I thank You that You would fight for me and that You would destroy the enemy that brings and plans futility for me. I ask that You restore Your heart and my believe system. Make a spectacle of Your enemy in my life for Your Name's sake.

I thank You Father, for being able to flow unhindered with purpose and glory and to bring life to all that is dry, desolate and weary. I thank You for aligning my rivers and riverbed with your Kingdom. I give You all the glory and the honor and cry with all the rivers let Your Kingdom Come and will be done!
